Coming Up
Wed 5 Aug - School Photo Day
Tues 25 Aug - Parent info session 5/6 Human Development program
Oct 27-30 - 5/6 Camp
Dec 9-11 - 3/4 Camp

Reporting Conferences
Our reporting conferences begin today at 4.00pm. If the time allocated to you no longer suits could please contact us as soon as possible. It is really important that we stick to a time frame so that other families are not left waiting. If you find you need more time to discuss issues or concerns please feel free to make another time where you are able to talk to your child’s teacher at greater length. If you would like to speak to your child’s teacher without your child being present let the teacher know at the beginning and time will be allocated at the end of the conference for this to happen.

Times for students in 1/2B will be renegotiated when Tracey is well enough to return to school.

Just a reminder that students are only required to attend school tomorrow when they are attending their interview. Siblings waiting for interviews will be accommodated in the library.

Please do not hesitate to call if you have any questions about the conference times.

The Canteen will be open Thursday & Fridays until the end of Term 2.

Canteen
As you know School Council recently made a difficult decision to close our canteen for financial reasons. This decision has been made after much discussion and reviewing of the number of lunch orders each day as well as the overall cost to run the canteen. The canteen is not being closed because of any staffing issues. We have been extremely pleased with the hard work and effort put in by our canteen manager, Judy McLaren. The factors impacting on the canteen’s viability are out of Judy’s control and I would like to thank her for her assistance in working through this complicated and difficult issue.

School Lunches from term 3
We have had a number of local businesses tender for the provision of lunches from the beginning of next term. Last night School Council made a decision to accept one of the tenders and we are currently talking with the business to finalise details. As soon as all is organised we will forward further information.

National School Pride Funding
You may have heard that schools have been given a significant amount of money to assist in the refurbishment and upgrade of facilities and equipment. At last night’s School Council meeting a list of priorities was organised and over the coming months we will be implementing the following projects:

- Resurfacing of the basketball courts;
- Remarkering of the lines on the courts, game lines around the school and car park;
- Repainting of the external areas of the school;
- Replacement of the deck outside rooms 7 & 8;
- Installation of 5 interactive whiteboard systems in the classrooms;
- Installation of gutter guard in selected areas;
- Repair and painting of the toilets;
- Purchase and installation of a net to protect the stage curtains and sound system when games are being played in the hall;
- Shade construction outside room 8;
- Upgrade of the phone system.

We are very lucky to have received this money and it will be a great boost to the physical surrounds and to the classroom and administrative programs.

Thought For the Week
Sometimes when we are generous in small, barely detectable ways we can change someone else’s life forever.

Margaret Cho
UNIFORM SHOP

Monday mornings
