CROSS COUNTRY
At 10.00am this morning Mr. Fraser and Ms. Roberts headed off to Goose Gully Golf Course with our zone cross country representatives. At the time of printing we didn’t have results, but we will publish them in a later newsletter once they are available.

CANTEEN
This week a note has gone home alerting families to the closure of our current canteen services. We would like families to know that the canteen is open as normal on Thursday’s and Friday’s until the end of term. Please support our canteen in its final weeks. We will be advertising for outside services to supply our school with lunches, and we will keep families informed of the changes once they are finalised.

VOLUNTEER SIGN IN/OUT BOOK
With our kitchen and garden program now in full swing and the many volunteers that also assist in classrooms, it is vital that any volunteers/visitors to our school sign in at the office. The volunteer & student sign in/out books are the first items that Lauren/Gayle are required to collect in an emergency evacuation. This is so that we are aware exactly who is in the school at any one time. If we are not aware that you are in the school it could cause an issue that could easily be avoided. The sign in/out book has a yellow cover and is kept at the front counter.

The Canteen will be open Thursday & Fridays until the end of Term 2.

In the Kitchen.....

The smells coming from the kitchen this week have been beautiful! The menu was Spaghetti Pasta (which the children made themselves) with a Pumpkin, Silverbeet & Tomato Sauce, plus a Garden Salad with Honey Balsamic Dressing. Mr Fraser has been a regular diner this week! Thankyou to the wonderful people who have contributed this week. Zoe & Aaron Cooper's dad, Brett for the loan of their pasta machine, Emily & James Seager's mum, Tracey for lemons from their tree, James King's mum, Belinda for the drinking cups, Zac & Harry Kellow's neighbour for the wooden serving trays, Jasmine & Hilary Sharp's neighbour for the 'boat' wooden bookshelves, Doug & Nina Trigg for Bay Leaves, Rob Poole for a huge Pumpkin & an anonymous couple (through Sue - CRE) some Chilli's, Chinese Celery & Herbs. So many donations, THANKYOU!

In the Garden.....

The garden is really starting to take shape now. This week the children have been learning about what happens in the garden during Winter. We have been planting strawberry plants and rocket seedlings, transplanting rhubarb and pruning fruit trees, along with weeding & mulching. Everything has grown heaps with all the lovely rain we've had! We even tested out the rain jackets (provided by Riviera Properties) in one of the classes. Thankyou to Glenda Wardrope for the donation of lettuce seeds.

Do you have.....

- Empty Handwash pump packs
- Old food/Gardening magazines
If you have any of these items at home, we could really put them to good use! Thankyou to the families who brought in plastic bags, egg cartons & yoghurt containers.
To help keep costs down in the kitchen, we would love some donations of food items, to be brought in next week, for the following week's classes.
- 3kg of small brown dried lentils
- tins of diced tomatoes
- eggs (from your chickens?)
- rhubarb stalks (from your garden?)

Craft Cafe.....

We had a lovely time last night with the first Craft Cafe evening. It was warm & friendly, with a variety of handicrafts represented, from cross-stitch & embroidery, to knitting & mending! The next session will be on Wednesday 1st July.

We still need volunteers to help out in some of the kitchen & garden classes. Volunteers ensure the children get the most out of this wonderful programme. If you can help please see Megan or Deanne.
