PPS FUNDRAISER – ONE FOR THE ADULTS
AN EVENING WITH BRIAN NANKERVIS - MONDAY 21st MAY, 7:00PM
DETAILS IN THIS NEWSLETTER.

Dear Parents and Caregivers,

This week the Monash Medical students who are studying to become doctors visited our school. On Monday they visited the Prep Grade, the students learned about the major organs in our bodies and what they do. Grade 5 and 6 students had their session on Tuesday afternoon, this session focussed mainly on the heart and included a model of a heart and the dissection of sheep hearts. The Monash Medical students also shared their reasons for wanting to become doctors and their journey so far. Our sincere thanks to the Monash University Medical lecturers for organising this experience for our students. (I believe our students have made the Bairnsdale Advertiser Friday 4th May edition)

School Council Meeting

A number of Grade 6 students attended our School Council Meeting on Wednesday evening this week. The students attended as part of their Rotary Community Service award where they are required to attend a community meeting. It is wonderful to see so many of our students participating in this high quality project.

MOTHERS DAY MORNING TEA

Friday 11th May in the staffroom

8:30 to 9:30am.

This special morning will be for Mothers, Grandmothers, Aunts, Guardians, whomever is that important female figure for each student. Come for a tea, coffee and cake.

Friday May 11th

Gifts range in price from 50 cents to \$5.

AMBULANCE COVER

Occasionally an incident may occur at school which requires for further medical assistance to be provided outside of our trained First Aid Officers. Families need to be aware that we do not make these decisions lightly. ***In the event that we do require ambulance assistance this will be done at a cost to the family. We strongly encourage families to have adequate cover.*** Whether this is through their Government Health Care Card, Pension Card, Private Health Fund or Ambulance Victoria. Ambulance Victoria do have a family rate of approximately \$95 for 12 months which is a small price to pay to ensure you are covered. Further information regarding fees and payment arrangements is available at: <https://www.ambulance.vic.gov.au/>

CROSS COUNTRY 2018

As we were going to print our Prep, Grade 1 & Grade 2 students were still participating in their cross country races. Thank you to those families who braved the four seasons in one day that greeted this year's race. It is fantastic to see our students challenging themselves to run our cross country course. Thank you to all those who helped set up and assist on checkpoints throughout the course.
