Dear Parents/Caregivers,

Thank you to all our families for another fantastic school year at Paynesville Primary School. We have had many activities and achievements throughout the year and it is the support from our families that enable us to continue with what we do at Paynesville PS.

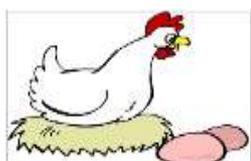

Assemblies – This week has seen us have not one but two very special assemblies. Monday morning we held our Prep Graduation assembly. It was very special to see our Prep students celebrate their first year of schooling and have their Grade 6 buddies present them with their Graduation certificate. Monday’s assembly also had the draw of our Christmas raffle. Congratulations to all the raffle winners and we thank all the businesses who supported our raffle. Please see the donors page and the end of the newsletter and help support the businesses who support our school. Thank you to Bec for her work in organising this raffle.

Today we held our Grade 6 award assembly. This assembly is in recognition of students who have been fortunate enough to receive a scholarship towards their 2019 Secondary School. These scholarships are provided by various community members, community organisations and businesses within Paynesville and Bairnsdale area. We are very thankful of the support these donors provide our students and our school.
