Dear Parents/Caregivers,

Thank you for your support in what has been another busy week at Paynesville Primary School.

This week our Grade 3/4 students attended Camp Coolamatong for 3 days of fun and activities. The students participated in raft building, archery, rock climbing and lots of other activities. They arrived back at school exhausted but full of fantastic memories. Thank you to the staff and parent helpers that help make our camps wonderful experiences.

Today we had Ben who is a member of the Australian Defence Force and currently based in Darwin speak with our Grade 6 students. The students were able to listen to what the Army is like and ask Ben about his recent experiences. They were also able to gain an insight on what may be required if this is a career student's may wish to pursue when they are older.

Nexus Arts Performance

This Tuesday October 23rd we will be having a performance from Richard Scholes and the Magical World of Science. This performance will start at 2:00pm and is for all students. The show consists of a mixture of magical visual science demonstrations that will take us through a wide array of science concepts. The fee for this performance was on the booklist at the beginning of the year. If you are unsure if you have paid, please contact Jenny in the office.

Basketball

Thank you to those families who have completed the registrations for the Summer Basketball competition. For those who have not registered information is available on the Facebook Paynesville Primary School Parent Information Hub. First round is Tuesday October 23rd. Good luck to all teams.

2019

As Term 4 starts to get busier, we are now looking ahead to next year. If you may be aware of students' that are looking to attend Paynesville PS or families that may be leaving the area could you please let either Carol Roberts or Jenny and Lauren in the office know. This information is important for our class planning for next year. Thank you for your support with this.

Kitchen Garden program

Spring is really in the air. The garden is flourishing and the student's kitchen classes are going well. This week the students made avocado & tomato salsa in parmesan bowls, tuna and salmon patties with roast vegetable salad. What a wonderful way to enjoy spring by using our very own produce.

Thank you to Tony from Bunnings for supplying us with next season's vegetable seedlings. Thank you to Cecile and Andy for delivering the trailer load of pony poo for our garden.

TUESDAY LUNCH SPECIAL - SORBET

School Crossing Update

Sam our School Crossing Attendant recently informed families via the PPS Parent Information Hub on Facebook of a proposed change to the School Crossing afternoon supervision times. The new proposed time is from 3:15pm to 4:15pm. This change of time has been trialled over this week. If families have any additional comments to the Facebook page please let the office know.
