Dear Parents/Caregivers,

Teachers have been busy writing reports over the last few weeks. It has been a lovely opportunity to reflect on every students' progress and celebrate their personal, social and academic successes and to identify areas for future learning. Reports will go home on Friday 7th December along with the class lists for 2019.

On Thursday this week Kate Radford, Jarryd Floyd and myself were privileged to attend a day workshop by Ken Rigby. Ken Rigby is a leading international researcher in the area of bullying in schools. He has written 5 books and his workshop covered the definition of bullying and examined methods of bullying intervention. This was a very valuable professional development opportunity and we look forward to sharing our learning with the rest of the staff.

School Captain speeches were held at a special assembly on Wednesday morning. What a very special assembly it was. I was so very impressed with the 15 Grade 5 students who put themselves forward to be considered for School Captain in 2019. The speeches were high quality and the staff and students were impressed with the sincere, honest and personal approach of the candidates. The student body has voted and I can confirm that the results

are extremely close. The announcement of the School Captains for 2019 will be made in the near future.

Market Day

An absolute highlight of the school calendar, and what an afternoon it was! It was wonderful to see our middle and senior school students stepping up and running their own stall. So many highlights, please enjoy the photo collage, they do say a picture says a thousand words.

School Sport Victoria

Team Vic Registration Process

12 Years and Under

Registration to trial for most SSV 12 Years and Under Team Vic teams to compete in School Sport Australia Championships is done through an online process managed by the School Sport Unit.

Australian Football, Netball, Boys Football (Soccer), Boys Basketball and Girls Basketball differ due to the large number of students that register for this trial process. These sports start with nominations through their schools to enable attendance at Division trials as the first step. If selected at Division level a student will move through to Region trials except for basketball where a conference trial is held; and finally a State trial for possible selection in a Team Vic team.

To be eligible children registering to trial must be turning 10, 11 or 12 years of age in 2019.

SSV implements an online registration process for the five teams mentioned above across the State. This is done for the following reasons;

- It ensures all 12 Years and Under registrations to trial are done the same way.
- It ensures that regardless of where a child is and in what sector, primary or secondary, the process will be fair and equitable.
- It ensures the trial process attracts only students capable of performing at a high standard and is for emerging athletes who have reached a certain standard.

The Online Registration process will open on December 1, 2018 and close on March 1, 2019

Please be aware of the following;

1. On the SSV website it has been made clear that students need to consult with their Principal at school to ensure they have the skill level to trial and represent their school at a state level.
2. It is imperative that teachers will decide on your child's capability of representing their school at a state level trial.
3. This discussion with the school Principal is necessary as all students MUST get the Principal signature and School Stamp on their registration form prior to attending a trial.
4. Registration is a NON-REFUNDABLE \$25 fee. This fee will be for the cost of hosting the trial and subsequent expenses as well as an administration fee.

5. This Registration is a registration for a Division trial. Confirmation to attend a trial will occur after registration closes and before the end of Term 1, 2019.
6. Once registered, you will receive an email confirming payment and a form which will require the Principal's signature. This form must be handed in to the Division Trial Coordinator on the day. NO FORM, NO TRIAL. If you do not receive this email contact School Sport Victoria immediately. School.sport.victoria@edumail.vic.gov.au
7. Once registration for Division trials close on March 1, 2019, Division Coordinators will email the registered participants and inform them of the time, date and venue for their trial before the end of Term 1, 2019.

Please go to the respective sports - [Australian Football](#), [Basketball](#), [Football \(Soccer\)](#) & [Netball](#) – via the [Team Vic](#) page of the [SSV](#) website for more information on State trial dates.

If you require any further information about this process, please contact your school Sport Coordinator / Teacher.
