PUBLIC HOLIDAYS

- Monday 25th April – ANZAC Day
Friday 3rd June – Professional Practice Day
Monday 13th June – Queen's Birthday

Dear Parents and Carers

We have had a wonderful week with lots of exciting activities on. Monday morning's assembly saw the final of our Paynesville's Got Talent competition, congratulations to Sylah who was the winner with her rhythmic gymnastics performance. Our students made delicious donuts in the kitchen this week. The science fair is on in the school library, please come to view after school tonight and Monday and Tuesday next week.

Science Fair

We have been amazed by the quality this year's Science Fair projects. Our sincere thanks to families for supporting your children. Completing a science fair project is a very valuable educational experience. Becoming familiar with the scientific method is a valuable skill to learn and science projects allow us to follow our interests and be curious about the world around us. It is also a great lesson in time management as the time involved makes it difficult to complete a last minute project.

This year's results are as follows:

Junior School

1st Anthony D'Amore Solar heating my bedroom black and white

Middle and Senior School

1st Charlotte D'Amore Optimal water volume and frequency for maximum alfalfa sprout growth

2nd = Ayla Romanin Which soil has the most suitable pH level for plant growth?

2nd = Ella Kiss Going Brown

3rd George Roberts Does Light Colour Effect the Rate of Photosynthesis?

Highly Commended

Emily Melrose The Best Magnifying Glass to Start Fire

Liam Carmichael How Greasy are Chicken Nuggets?

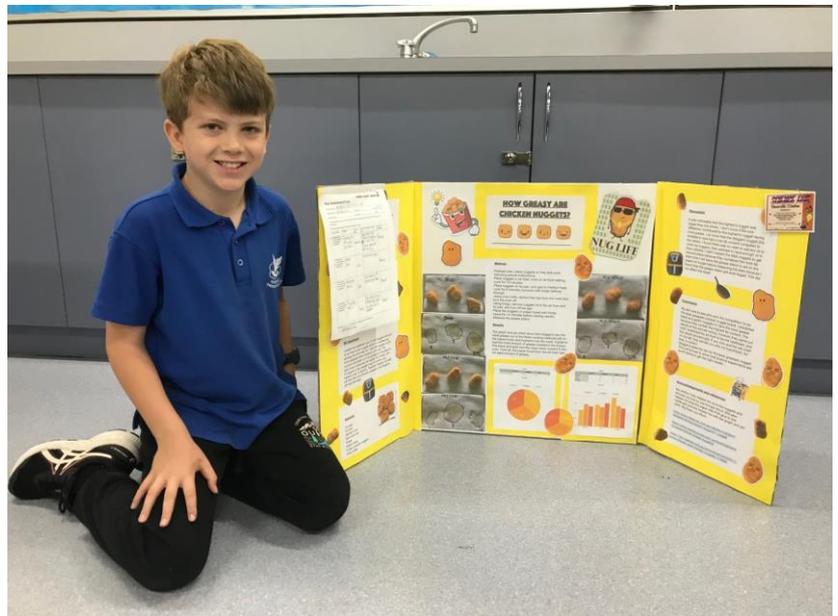

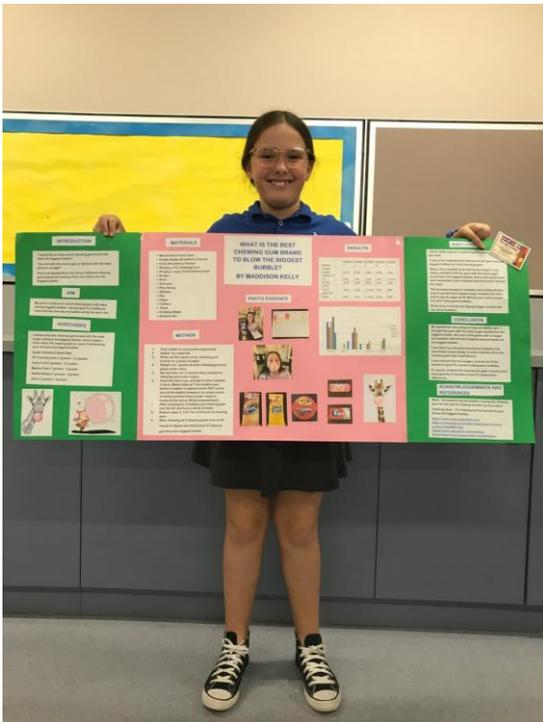

Maddison Kelly Which is the best chewing gum brand to blow the biggest bubble?

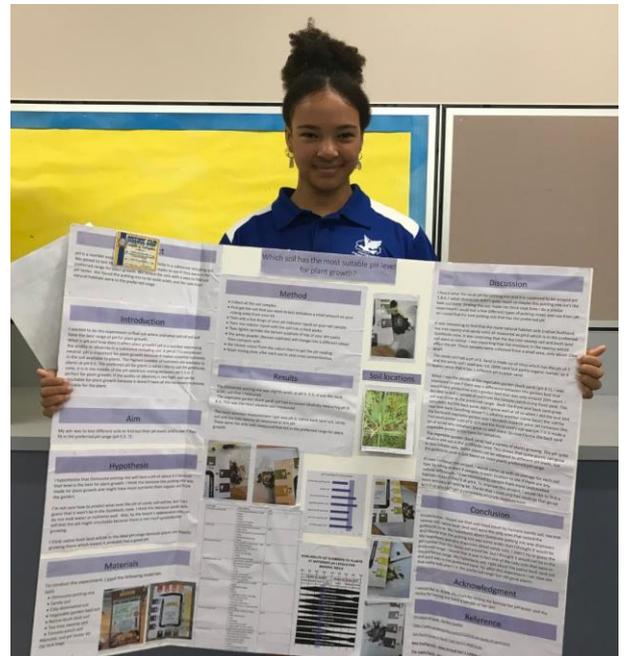

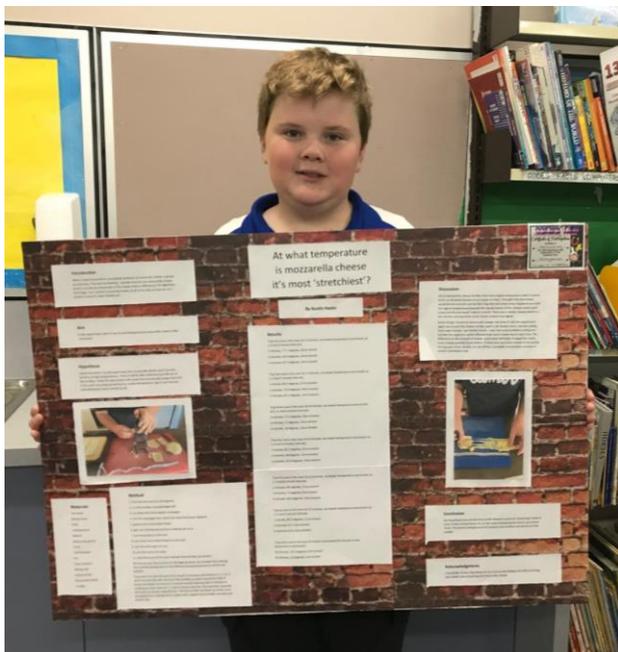

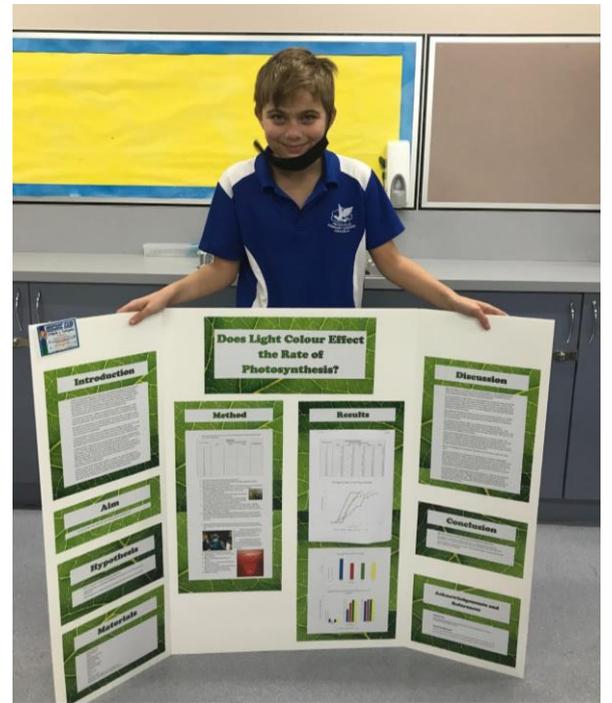

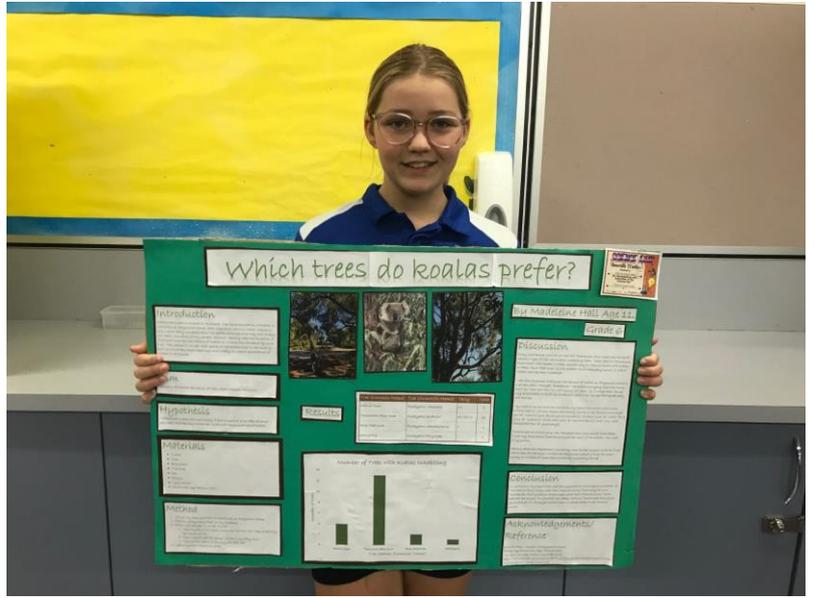

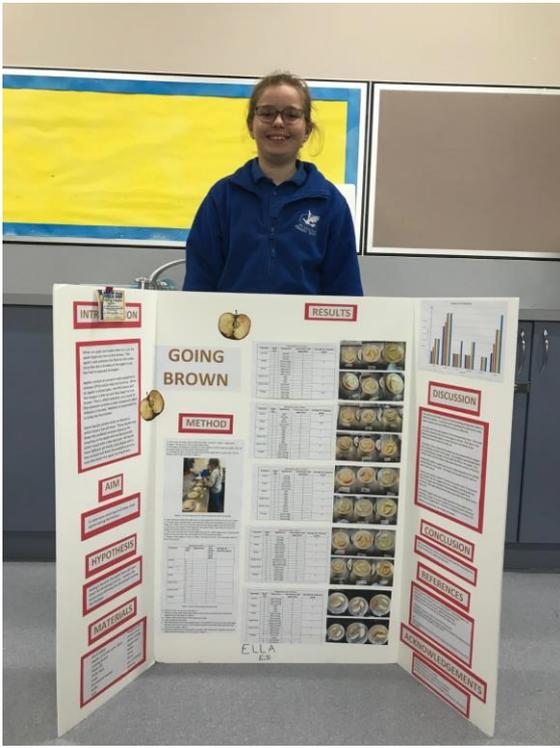

Madeleine Hall Which trees do koalas prefer?

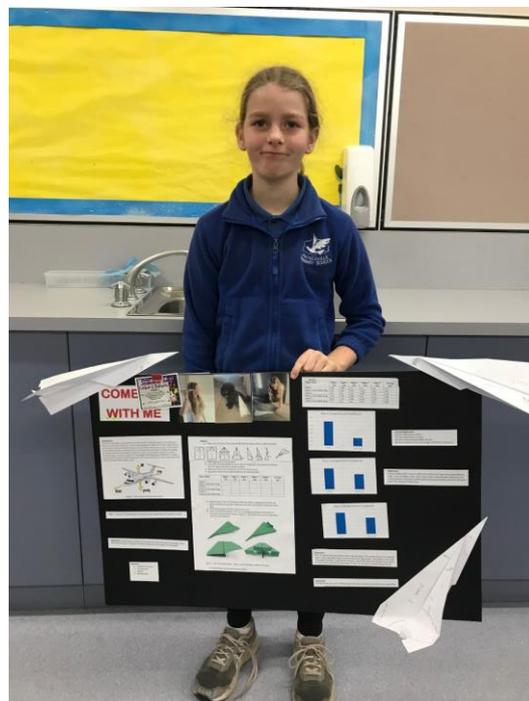

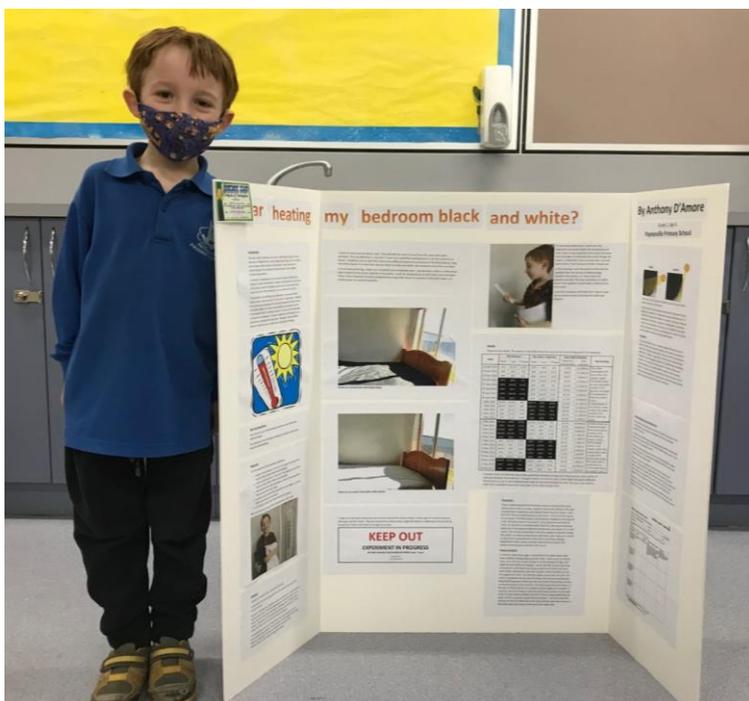

Lacey Kiss Come Fly with Me

Sylah Coull-Barnes DIY Scratch Art

Austin Hasler At what temperature is mozzarella cheese it's most 'stretchiest'?

Science Fair Flashback...

This photo was taken 5 years ago, when Sylah, Emily, Maddison and Liam presented the Prep class science project at the Science Talent Search in Melbourne. How exciting that these four little scientists have continued their passion for science and all gained highly commended awards in this year's school science fair.

Zimboyz WOW!

On Wednesday afternoon we were treated to an amazing performance by the touring group Zimboyz. These amazing men are acrobats by trade and born performers. So wonderful to be able to have performers back in our school again, we missed them.

School Disco

Our student council are very excited to announce that the school disco is back this year. The disco will be on Thursday 2nd June and will run from 6pm – 8:30pm. The following day students are not required at school as it is a Professional Practice Day. Parents are most welcome to attend and we look forward to seeing you there.

Help us turn
BREAD BAGS into
SCHOOL* PLAY EQUIPMENT

Our school* is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school* earns!

Collections close 9th September.

Tip for collecting:
Use one empty bread bag to collect a bunch of other bags.

Did you know?
Our school is now in the draw to **WIN an exercise circuit** made from the soft plastic we collect!

LET'S GET COLLECTING!

*includes early learning centres and pre-schools.

Tag [@wonder.australia](#) [#wonderrecyclingrewards](#) to share all your recycling champion stories!

Adventure is Calling!
