No Lunch Orders 5th August - 2nd September

Dear Parents and Carers

What a wonderful start we had to book week, with our Book Week Parade at assembly on Monday. Everyone looked amazing, thank you so much to all the mums, dads and carers for helping your child to look sensational in their costumes. There was such variety and many of the costumes were simply stunning – so much creativity! The teachers even put on a little Snow White and the 8 Dwarfs play for the students.

Next Monday (29th August) is a pupil free day, the staff will be having a professional practice day where we will make plans for Term 4.

On Monday 5th September there will be a parent session by Dan Petro, behavioural analyst. As a staff we have been working with Dan and I would like to recommend this session to you. Dan has very practical and useful advice and is most entertaining to listen to. For more information please refer to the flyer later in this newsletter.

Parent/Caregiver/Guardians Survey

WE WANT OUR PARENTS/CAREGIVERS/GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents/caregivers/guardians think of our school. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. We encourage all families to participate in this survey. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

A random sample of approximately 30 per cent of parents/caregivers/guardians have been selected to participate in this year's survey.

The Parent/Caregiver/Guardian Opinion Survey will be conducted from **Monday 15th August to Friday 16th September.**

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Simplified Chinese, Chin (Hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

Please speak to your child's teacher if you would like more information.

Daffodil Day

This Thursday we had Daffodil Day, where students could dress in yellow and donate to this important charity. Our thanks to Holly, Ru and their families who baked cupcakes and cookies to help raise funds. They were delicious and we really appreciate your efforts, your baking really added to the day and they were completely delicious! As a school we raised just over \$110, great job!

Dodgeball Competition

On Wednesday and Friday lunchtimes Grade 2 student George M and Trinity have been running a dodgeball competition. I managed to catch some of the action Wednesday lunchtime and captured a photo of the first four teams to compete. A very entertaining and popular event! Looking forward to the finals, there is a lot of strong competition.

Father's Day Events

Coming up on Friday 2nd September we have our Father's Day stall and the Father's Day Breakfast. Father's Day Breakfast will take place at school from 8:30am, we are hoping for a mild morning so we can host breakfast outside but if not, we will move indoors. There is a RSVP on the school FB page, or please RSVP to the school office.

Following breakfast, students will be able to purchase gifts from the Father's Day Stall, gifts range in price from 50c to \$5.

Bairnsdale Secondary College on behalf of the Bairnsdale Tambo Network (BTN) invite parents and carers of children who attend primary and secondary school to attend a parent information session with Dan Petro. This is a free event.

Being a parent or carer can be a demanding task, especially when circumstances create additional challenges in our lives. This presentation will provide you with flexible and easy to use strategies that can be drawn upon to teach new skills at home, help establish daily routines, and effectively respond to those difficult situations raising children often presents.

Dan Petro is a Behaviour Analyst and director of Behavioural Resources Australia Pty Ltd. Dan's work in over 200 Australian schools and organisations has shown him to be an engaging and popular presenter for school staff and parents. His academic background includes degrees in both behavioural science and counselling psychology. Attending one of his workshops is a comfortable way to discover (or rediscover) those straightforward, effective parenting practices that can make a significant difference for everyone involved.
