Dear Students, Parents, Caregivers and Friends of Paynesville Primary School,

Woorin Lane, Ni Hao, Kia ora, Hello,

It is wonderful to see the sun shining and the children outside running around in the yard. Although the grounds are drying out, there is still a lot of water around the back oval and the old hockey fields which form part of our cross country track.

The School Cross Country will now be held on Monday May 11th at the following times. Please come along and support your child and enjoy the day.

School Cross Country: Monday May 11th

We change the normal school timetable so please read below for lunchtimes and race times.

Basketball News

Last week our three teams played their first games of the winter season. As always we have the best parental support and I would like to thank every parent, grandparent, friend and sibling who came along. The results are as follows:

The Paynesville Girls lost 40 – 9

The Paynesville Boys Won 38 – 2

The Paynesville Juniors played a grading games – and they were all winners!

We have had a number of children ask if they can join this season and so we have made 2 boys teams and 2 girls teams and mixed junior team.

All basketball players will be bringing home a notice tonight that has the new team lists and the new draw with it.

Safety Afterschool

Can I please ask parents to pay attention to where your child is after school. Please, where possible organise play dates in advance and ensure that a responsible adult is looking after your child. Thank you for your help with this.

ANZAC Day

I could not have been more proud of the students who came along last Saturday and who represented our school at the Paynesville ANZAC Day ceremony. We had a large turn out of students and parents and it was fantastic. We weren't there to glorify war but rather to acknowledge the suffering and sacrifice of our service men and women.

Thank you for your support. – Tony Roberts

CLASSROOM CAPERS...

Our Grade 6 students with their Prep buddies have been exploring the world of volcanoes...

Students made papier mache volcanoes and then made them 'erupt' using bicarbonate soda and vinegar. We are still a little unsure as to who had the most fun... The prep students or the Grade 6 students!
